SUPERVISORS HOLD REGULAR MEETING

DEVELOPMENT ASSOCIATION ADVISES THAT COUNTY HAS RIGHT TO ITS WATER.

Delegates to Los Angeles Convention—Daly City Serves Notice of Desire to Secede.

The Board of Supervisors met in regular session Monday, December 4th, there being present P. H. McEvoy, presiding, and Wm. H. Brown, Jas. T. Casey and Jos M. Francis.

District Attorney Swart stated that a claim had been presented by Henry T. Scott of Hillsborough for $33, his portion of the tax on the San Mateo school bonds, which amount he desired refunded. Mr. Swart advised that payment of the claim be denied in order that the matter might be brought into court and legally settled.

On motion of Brown, seconded by Casey, payment of the claim was denied.

Motorcycle patrolman, M. F. Brown reported as follows: Worked 12 days, 3 arrests, 3 convictions, fines $30.

The following applications for liquor licenses, presented at the first meeting in November, were granted:

First township—A. W. Furst; Millbrae; Jas. T. Casey, Colma; W. R. Markt, San Bruno Road; Michael Lynch, Colma.

Second township—Victor Freine, Beresford;

Fourth township—Manuel Lewis, Halfmoon Bay.

The following applications for licenses were read and will be acted upon a month hence:

First township—Charles Hirral, Colma; Fred B. Russi, Colma;, Joe Millet, Colma; J. E. Rogers, Colma.

Second township—Danz Bros., Beresford.

Third township—O.E. Daves, Portola.

A petition signed by Peter Faber and other residents of Colma was presented protesting against the issuance of a class C liquor license to Pattaro and Binsacca in the Abbey homestead on the ground that there was already enough drinking places n that vicinity.

Casey stated that regardless of the petition he would oppose the issuance of the license and moved that it be denied. He was seconded by Francis and the motion carried.

Public Administrator Plymire reported the disposition of certain effects of deceased persons.

The application of C. Schneller for a liquor license at Rockaway was rejected on motion of Casey, seconded by Brown, it being shown that the applicant had no building in which to house his saloon.

A communication signed by 164 citizens and taxpayers of Daly City was read notifying the board that that municipality desired to become a part of San Francisco.

The petition was referred to the district attorney who later in the day reported that the board could take no action, it being necessary for the legislature to first move in the matter.

Matilda Borelli of Colma applied to the board for aid, representing that she with her three children had been deserted by her husband and was in destitute circumstances.

On motion of Casey, seconded by McEvoy, the applicant was granted $8 per month.

A petition signed by J. C. Witt and others of Colma was presented asking that seven additional electric lights be placed in the Abbey homestead.

Casey stated that there were at present but three lights in that part of the lighting district. The number ought to be increased if possible. On his motion, seconded by Francis, the petition was accepted and the clerk directed to communicate with the South San Francisco Light and Power Company on the subject.

Chris Stader applied for a rebate on the unused portion of his liquor license at Beresford. On motion of Brown, seconded by Casey the matter was referred to the license collector.

John J. Read on behalf of Charles Nathhorst presented a map or Portola terrace which was approved by Chairman McEvoy and adopted on motion of Brown, seconded by Casey.

William J. Scheller sent a communication offering to sandblast the stonework of the courthouse, giving it a uniform appearance, for $580. The communication was accepted and ordered filed.

A communication was received from the California Development Board asking the board to send delegates to the 16th annual convention of the county representatives to be held at Los Angeles on January 12 and 13 next. The communication was accepted and on the suggestion of Brown was laid over until afternoon.

Willis G. Frost of San Francisco sent a communication asking employment as engineer or assistant engineer in the event of the county voting a bond issue for the improvement of the roads.

The following resolution, adopted at a late meeting of the San Mateo County Development Association, was read.

To the Honorable, the Board of Supervisors of San Mateo County, Redwood City, California.

Whereas, it is currently reported that the City and Coun y of San Francisco is about to acquire the plant of the Spring Valley Water Company as a part of a proposed municipal water system, now therefore, be it

Resolved, by the Board of Govrnors of the San Mateo County Development Association, that the Honorable Board of Supervisors of San Mateo county be and are herebe requested to serve notice, through County Clerk Joseph H. Nash in a communication with his official seal attached, upon the Mayor, Board of Supervisors and County Clerk of the City and County of San Francisco, that the County of San Mateo, hereby claims primal rights in regard to the water furnished by the Spring Valley Water Company, and be it further

Resolved, that the Board of Supervisors of San Mateo County be requested to direct County Clerk Joseph H. Nash to take the action above noted at their next meeting.

The resolution was referred to the district attorney.

A resolution was received from the San Mateo Board of Trade requesting the board to defer action toward calling a bond election for road improvement until it is definitely determined among other things, whether or not a State highway is to be built through the county, and if so the mileage and route to be followed and the cost of same to the county.

Brown characterized the resolution as unnecessary and questioning the intelligence of the board, as well as bordering on insult. The board had only taken steps to ascertain the cost of improving the county roads. The resolution was accepted and filed.

William Metzner who owns 9 acres of land in the Linda Vista tract west of Menlo Park sent a communication complaining that his property was flooded during the winter months on account of the poor drainage provided.

The communication was accepted and filed. Chairman McEvoy explained that to change the conditions complained of by Mr. Metzner it would be necessary to turn a stream from its natural course which would be contrary to law.

District Attorney Swart advised the board that the application of Alfred Schlienger for permission to maintain a hog ranch near Colma where 250 pigs are to be kept could not be granted as the site of Schlienger's proposed farm was within the limits proscribed by Ordinance 250, recently adopted by the board. The application was denied on motion of Francis, seconded by McEvoy.

The First National Bank of Redwood City was the best bidder for the San Pedro school bonds amounting to $7000 and they were sold to that institution who offered a premium of $125 for the issue.

The following bids were received for constructing a concrete bridge at Purissima:

M. B. Wiggins—$1184; extra concrete, per yard $12; time 40 days.

Savage & Mitchell—$8000; extra concrete, $12; time, 30 days.

Hugo Freundrich—$1725, .

On motion of Francis, seconded by Casey, the contract was awarded to Savage & Mitchell.

The following bids were received for constructing a steele and concrete bridge near Millbrae:

E. B. Hoenck—$4430; extra concrete, per yard, $8.65; time 30 days,.

T. C. Rice—$3688; extra concrete, $12; time 25 days.

Chas. P. Nott—$3957; extra concrete, $8; time, $60 days.

Mitchell & Savage—$3250; extra concrete, $10; time, 50 days.

Barret & Foy—$3349; extra concrete, $7.50; time, 25 days.

Casey stated that while Mitchell & Savage's bid was the lowest by $99 their price for extra concrete was much higher and the time required by them to complete the work was twice as long as that of Barret & Foy. It was essential that the job be completed as early as possible in order that the road be not closed to traffic longer than is necessary. He therefore moved that the contract be awarded to Barret & Foy, the next lowest bidders, who agreed to complete the work within 25 days. The motion was seconded by Brown and carried, Francis voting in the negative.

A communication from the county surveyor in the matter of maps furnished the county clerk's office was presented and read in which communication the county surveyor stated that the errors he had made in the precinct ordinance map were due to wrong information furnished him by the county clerk.

County Clerk Nash addressed the Board and informed it that this statement of the county surveyor was an unqualified falsehood as the minutes of the board show that the preparation of said ordinance was out of the hands of the county clerk entirely; that the county has already been put to the expense of passing and printing a new ordinance to cover up and correct errors in the original ordinance as prepared by said surveyor; that the map furnished the clerk's office for which the county paid the surveyor $10, notwithstanding the fact that said surveyor had heretofore received $800 from the county for preparing the county map in the face of a competent party's offer to do said work gratis, was full of unpardonable errors.

Neuman accused the clerk of not having the road book of the county written up to date. Nash replied that the work was being done as rapidly as possible, whereupon the chairman stopped the controversy between the two officials and dropped the whole matter.

A communication was received from Hans Rasmussen, offering to give the county automobile service at $4 per hour for valley work, $5 for mountain work and by the day, $20. The communication was laid over until the next meeting.

The matter of sending delegates to the county convention at Los Angeles was taken up.

Brown called upon Editor C. M. Morse to address the board on the subject and Mr. Morse responded with a strong endorsement of the convention and its future value to this county in connection with the Panama-Pacific exposition. The board should send representatives.

Favorable remarks were also made by McEvoy, Brown and Casey, the latter taking occasion to state that the San Francisco Bulletin had offered him its influence in securing a State highway to this county. The Mission Promotion Association was also working hard to bring about the success of the undertaking. The plan was to widen the Mission road to 100 feet and build from the northern county line to San Jose.

Brown moved that a committee of five be appointed by the chair to attend the Los Angeles convention, the committee to consist of members of the board or representatives of those members that could not attend. His motion was seconded by Casey and carried.

The chairman stated that he would name the committee at the next meeting. Brown asked that Rev. W. A. Brewer, the able head of the County Development Association, be appointed as his representative.

Superintendent Ford of the County Farm and Hospital presented a list of the supplies that would be needed during the coming year. The clerk was directed to publish a notice calling for bids for the same.

Mr. Ford entered a complaint against Dr. Baker, the county physician, charging him with inciting insubordination among the hospital inmates.

Brown defended Dr. Baker and asked that he be given a hearing. The chairman directed that the physician and superintendent attend the next meeting when the matter will be given a hearing.

Plans and specifications for a concrete culvert at the junction of the Woodside road and El Camino Real were presented by Surveyor Neuman and approved by the chairman after which they were adopted on motion of Brown, seconded by Francis, and the clerk directed to publish the usual notice calling for bids for the work.

District Attorney Swart stated that he had the assurance of the hogranchers at Colma that they would move out by June 1st next and were willing to give any bond as an evidence of good faith.

Under Sheriff Shields stated that a storage building was needed at the county jail.

The chairman explained that the barn heretofore occupied by the

REMINISCENCES OF OUR PIONEER DAYS

During the first week in February, 1888 San Mateo county was the scene of two fatal accidents which strongly illustrate the danger of allowing youths of immature years to have the use of firearms. The first of these occurred in this city on the afternoon of Saturday, February 4th, and resulted in the almost instant death of Gussie Pfrang, the young son of Mrs. Margaret Groner, still an esteemed resident of Redwood City. The lad, who was just passed 16 years of age, had for a short time been employed at San francisco and had come to this city for a visit with his mother. Early Saturday afternoon, in company with a younger brother and a companion about his own age, he went on a trip down the creek after some shells. Intending to spend part of the time in hunting, theboys took a double barrelled shot gun. It was on the return trip that the unfortunate accident happened. Arriving at the bend in the creek a short distance below the Frank tannery, the boys decided to wait for the rising of the tide, which was at the turn. In attempting to make the landing, young Pfrang reached for the gun to take it ashore with them, and thoughtlessly pulled it from the boat with the muzzle toward himself. From just what cause was never determined, but the gun was discharged in the act, the charge entering the boy's chest near the heart. The moment the companions of the unfortunate lad realized what occurred they hastened across the marsh to town and sent word to the boy's mother of the accident, at the same time summoning medical aid. Dr. Ross responded to the call for a physician and was at the side of the injured lad as soon as hecould be brought to the land, but the wound was a fatal one and death intervened within a few moments after the arrival of the physician.

The following day death under more harrowing circumstances came to a much younger boy near Pescadero. In this case a party of youg lads, numbering between 15 and 20, none of whom were over 18 years of age and some even less than six, were allowed to go out on a rabbit hunt, several of them carrying guns. After hunting some time, the boys became tired of the sport and decided to add the diversion of surf bathingtothe day's amusement. Before going into the water one of the boys, a lad of 18 years of age, discharged his gun and laid the weapon in a clump of bushes. While the party were in the water another of the boys picked up the gun and thoughtlessly reloaded it and replaced the gun in th brush seemingly leaving the hammers up. After coming out of the water the owner of the gun called to a younger brother, a boy about 6 years of age and asked him to bring his gun from the brush pile. This the little boy attempted to do and in pulling the gun to him caused it to be discharged. Willie Fratas, another of the party of boys, and about 10 years of age, was standing beside the little fellow and received the entire contents of the shot in the head and was instantly killed.

Executor Sues for Rent

William H. Bias, executor of the the estate of Elizabeth Reed deceased, filed a suit yesterday against William H. Reed, administrator of the the estate of James Reed, deceased, to recover thesum of $800 for the rent of the well-known Reed ranch at Pescadero for one year. The action is practically a suit to quiet title and will determine the ownership of the property which is valued at $50,000. Mrs. Reed died in 1908 but her will was not probated until after the death of her husband in 1910 and in the mean time William H. Reed, nephew of Mrs. Reed is administrating upon the estate. Last week the sister of Mrs. Reed filed a contest for half of the property left by James Reed which includes all the land owned by Mr. and Mrs. Reed. Harry J. Bias and C. M. Cassin of Santa Cruz are the attorneys for W. H. Bias, who has been treasurer of Santa Cruz county for the past 30 years.

According to the time schedule just issued by the Southern Pacific Company the distance between Redwood City and San Francisco is 25 and one quarter miles, while according to former time tables it was 29 and one quarter miles. This change has been brought about by the agitation of the San Mateo County Development Association. The company always estimated the distance by the route of the railroad around by the cemeteries, but the cut off has lessened the distance just four miles and the company has seen fit to mention that in the new time table.

County Surveyor Neuman left Thursday with a corps of assistants to begin work of defining the route and cost of the boulevard to be constructed down the coast from Colma. He will make a report to the supervisors, who ordered the work, when finished. The cost of the road will be in the neighborhood of $1,000,000.

Notice of sale of property of the state pursuant to section 3897 of the political code

Controller's Department,
State of California }
To the Tax Collector of the County of San Mateo, State of California:

Whereas, on various dates, there were filed and recorded in the Controller's Office of the State of California, certain deeds conveying to the people of the State of California the title to those certain lots and parcels of land hereinafter described:

And, Whereas, said deeds recite the fact that said property hereinafter described was struck off and sold to the people of the State of California for the non-payment of State and County taxes, penalties, and costs, and all charges levied and assessed against said property for the years 1895, 1896, 1899;

And, Whereas, five years have elapsed since the date of said sale, and no redemption, according to law has been made of said propertf, or any part thereof;

Now, Therefore, in pursuance of the law, and in accordance with the provisions of Section 3897, Political Code, as amended March 19, 1907, I. A. B. Nye, Controller of the State of California, by virtue of the authority in me veste by the laws of this state, do by these presents authorize, empower, and direct you, the said Tax Collector, to sell at public auction, in separate lots or parcels, the property hereinafter described, in the manner following: Public notice shall first be given of such sale by publication for at least three weeks in some newspaper published in the county, or city and county, or if there be no newspaper published therein, then by posting a notice in three conspicuous places in the county, or city and county, for the same period, which notices must state specifically the place of and the day and hour of sale, and shall contain a description of the property to be sold and shall also embody a copy of this authorization.

NEWS GATHERED FROM THE COUNTY

Interesting Notes Picked Up By Hustling Reporters in the Country Districts.

The new $8,000 residence of Dr. J. C. McGovern at South San Francisco has been completed and is now occupied by the family.

The trustees of South San Francisco school district have approved the plans of Havens & Toepke for additions and improvements to the school buildings and have advertised for bids for doing the work. The improvements, which are extensive, were authorized under a recent bond issue.

The trustees of Jefferson school district are preparing to take advantage of a recent order of the San Francisco school department which prohibits schollars from outside districts from entering the city schools without permits of the trustees of the district of which they are residents. The Jefferson trustees have given notice that after the 1st of January they will grant no permit to any pupil of the Jefferson district to attend any outside school.

The City Council of Daly City has been notified by the Southern Pacific railway officials that the station formally known as Spring Valley has been changed to Daly City in accordance with their request.

The Peninsula Choral Society, composed of residents of San Mateo and Burlingame, has been organized with the following officers: D. S. Merk, president; Walter Johnston, vice president; J. W. Faulkner, secretary; Mrs. N. M. Ryley and Mrs. J. H. Doan, executive committee. The organization has secured the services of Prof. Zech of San Francisco as musical director.

Owners of fine estates at Hillsborough who have allowed the public the privilege of access to their magnificent grounds have been much annoyed of late by acts of vandalism committed by people who have taken advantage of the privileges accorded to pilfer red berries and flowers and doing serious injury to shrubbery. One of the most serious sufferers in this particular is the W. H. Crocker place, where much damage has been done. Unless a means can be found of putting an end to these unjustifiable depredations it is feared the owners will soon feel compelled to deny the public the privileges which have been extended in the past.

J. W. Palmer has been appointed baggageman at the Burlingame railway station to take the place of Mr. Reynolds who has been transferred to Guadaloupe.

T. L. Jordan of San Francisco, recently oppointed station agent at Moss Beach of the Ocean Shore Railway, has taken charge of the office. Mr. Jordan has removed his family to Moss Beach and will become a permanent resident of the coast side.

Directors of the Coast Side Promotion Association have elected the following officers: President T. T. Johnson, vice president M. B. Johnson, secretary Claude Littlepage, manager H. C. P. Morse, treasurer Dr. C. L. Morgan, and the Bank of Halfmoon Bay depository.

The girls of the Montara-Farallon school are having a basket ball court prepared.

The Flint, Nelson Co., butchers of Halfmoon Bay, have sold their branch market at Pescadero to M. Gozlin.

The festive burglar continues to make his regular visits to Burlingame and San Mateo, and as usual make his "get away" with the booty. The latest sufferers to report are Dr. H. T. Daly and Dr. Arthur J. Belton, both dentists with offices in the Burlingame Bank building, who were visited Sunday night. In both instances the office doors were pried open with a jimmy and a valuable lot of dental material secured by the nocturnal visitors. In San Mateo the burglars paid a visit to the office of Dr. Sibley in the Coleman building.

The city trustees of Burlingame are considering the purchase of an up-to-date automobile fire aparatus. Since the admission of the new territory to the cityit has been found necessary to transfer the old chemical wagon to the Easton district.

It is expected that work on the construction of the Easton electric railway will be commenced in the early spring. F. J. Rogers, the representative of the Ansel M. Easton interests, has gone east to arrange for the purchase of rails and other construction material.

The trustees of the San Mateo school district have fixed December 29th as the date for the second bond election. Proposition submitted will call for the issue of an aggregate of $100,000 in bonds, but the items will be segregated into separate propositions.

ANOTHER DELAY FOR FRANCHISE

Trustees Want Time to Consider Suggestions Offered by Board of Trade

Either because of the absence of Trustee Brown, who is still confined to his home as the result of his recent illness, or from a desire for time to digest a number of pertinent suggestions offered by the Board of Trade, the expected formal introduction of the franchise for the proposed local street rail way system did not occur at the meeting of the City Council last Monday evening. With no considera tion of the document presented from Chairman Merrill, the entire matter went back to the committee of public works where it has been for several months, there to be reconsidered in the light of the suggestions offered by the business men.

The first matter to be called to the attention of the council by Clerk Plump was the somewhat unusual plea for street improvement put up by a non-resident property owner. This came in the shape of a letter from C. Sherwood of San Francisco, who is the owner of two lots at the corner of Allerton and Hopkins streets, asking this contemplated street work to be extended to the frontage of his property. Although the owner of a frontage of 200 feet, Mr. Sherwood assured the council that he would gladly meet any necessary expense to secure the advantage of good streets. This seemed to strike the trustees as a commendable exhibit of public spirit and hope was expressed that an opportunity might soon be found to take advantage of the suggestion.

Contractor Chas. P. Nott notified the council that he had completed his contract for the erection of the Center street bridge and asked that the work be accepted. Pending an inspection by the committee on public works, action was postponed until an adjourned meeting to be held Monday evening.

A contract for furnishing a car load of electric light poles was awarded to the Pacific States Electrical Co., the only bidders. The price to be paid is $7.85 for 40-foot poles and $6.80 for 35-foot poles.

C. C. Benson presented a set of specifications for the macadamizing of Hamilton street from East Bradford to East Fuller, and asked that they be approved. This elicited from Trustee Hynding the emphatic statement that he should oppose all propositions for this class of work, urging as a reason that uniformity could not be secured if private contracts for portions of streets were allowed and that the time was not seasonable. In reply Mr. Benson stated that the contract for the work has been signed by owners of the entire frontage affected and that their desire was both to secure a good street for the winter and to evidence the good faith of their promises. That the specifications were in accordance with the general design was evidenced, he said, by the fact that they had been prepared by City Engineer Pioda and were identical with those previously approved by the council for another section. Chairman Merrill was inclined to look with favor upon the proposed work as tending to frupish employment at a dull season, but in view of the opposition, suggested that action be deferred until the views of the owners of property might be more fully ascertained and this action was taken.

R. A. McLean, the contractor for the new city hall, asked for and was granted a progress payment of $1400 after the claim had been approved by Mr. MacKenzie, superintendent of construction.

Trustee Sampson for the committee on public morals reported that in the opinion of the committee the proprietor of the Demartini saloon had been sufficiently punished for his infraction of the law in the public reprimand at the last meeting and recommended that no further action be taken beyond a warning that further violation would result in a revocation of the license.The report was approved.

This clearing up the general business on Clerk Plump's desk, Chairman Merrill suggested that this was the time set for the consideration of the long deferred street railway franchise, and that as Judge Fitzpatrick was present the matter should be taken up. As preliminary to this, Clerk Plump produced a communication from the Board of Trade suggesting a number of important modifications and additions to the franchise as it had been outlined. Briefly stated these suggestions were along the following lines: That the use of steam as a motive power be definitely prohibited; that the Trilby rail be required on all bituminized streets now or hereafter laid; that steel poles be required on Mound, Main, Broadway and Center streets; that provision be made to permit the granting of franchises to other railways to cross the tracks at grade crossings and for the use of the same tracks for a distance of five blocks; requiring the completion and operation of the road within the time required by general law; that in construction or repairs on street shall be kept open for a longer period than 90 days;that all construction and repair work shall be done to the approval of the council as well as that of the superintendent of streets, and that the grantee shall be required to file with the clerk his acceptance of the franchise within 10 days after the publication of the ordinance granting the franchise. It was also suggested that the services of an additional attorney be retained to assist in the final preparation of the franchise ordinance. Apparently this action of the Board of Trade had not been expected at this time, Chairman Merrill suggested that the suggestions made should have been placed in the hands of the committee which had had the franchise under consideration rather than to have reserved for the time of the meeting of thecouncil, in order to have given an opportunity for their consideration. Replying to this President Tuchsen of the Board of Trade stated that it was the impression of the Board had been that its advice had been asked by the council, but at the same time intimated that it was not material to the Board how the suggestions were considered so long as they were taken notice of. Finally at the suggestion of Chairman Merrill the communication of the Board of Trade was withdrawn from the council files and handed to the chairman of the committee on public works. This seemed to end the possibility of action at this time and on motion ofTrustee Hynding the introduction of the ordinance was deferred until the next regular meeting.

An adjourned meeting of the council will be held Monday evening, when a joint convention will be held with the Board of Fire Delegates for the purpose of selecting a chief of the fire department for the coming year.

According to the new time schedule just issued uby the Southern Pacific Company the distance between San Francisco and Menlo Park is 28 miles. Former time tables fixed the distance at 33 miles. The change has been brought about by the agitation of the San Mateo C ounty Development Association.

Fred Sharon has purchased 100 car loads of fertilizer in San Francisco for his grounds at University Heights. A few of the cars arrived during the week and it is being hauled to the place by teams belonging to local residents. Mr. Sharon is preparing to beautify the grounds around hismansion and they are to be the finest in the west.

A gigantic specimen of the Mangle Wurtzel sugar beet that was grown in the Timothy Hopkins gardens is on exhibition in the public schools of Palo Alto. It is a wonder and is attracting much attention. The beet weighs forty-two pounds, has a circumference of three feet and a length from tip to tip of thirty-eight inches.

George Vincent and George Bens have formed a copartnership to do a general painting business and have reted the J. H. O'Keefe building formerly occupied by E. L. Taylor. They will make automobile painting a specialty. Both are expert mechanics with a wide experience. Mr. Bens, who conducts a shop at Redwood City will close it that he may give the business here all his attention.

All the sodalities of the Church of the Nativity made their first annual renewal of the Act of Consecration last evening. A large number of new members were also enrolled. The newly organized choir of twenty voices rendered a program of music that was very edifying. Rev. J. W. Sullivan of St. Patrick's Seminary, preached a sermon appropriate to the occasion. Yesterday was the feast day of the sodalities and they took occasion to observe itby special services. A large number attended.

It has been reported for some time that the Burke ranch, known as Rancho La Siesta, has been sold to the directors of the Hebrew Orphan Home Society of San Francisco While there is no confirmation of the rumor it is understood that the sale has been consumated and that a goodly sum has been paid for the property. The directors visited the place some weeks ago and expressed themselves dlighted with the location. They visited other localities in the state but saw no place that suited them so well as the Burke ranch to establish a home for orphan children. The directors proposed to establish a home for about 300 children. They will be taught dairying, agriculture, viticulture and gardening besides their regular school courses. The unlimited supply of water on the ranch will insure a fine crop of alfalfa and the hill sides will be made to blossom as a rose while the bottom lands will raise corn and other products. The sale has been the biggest thing for this section that has taken place in some time as it will be the means of developing that part of the county besides bringing many more people to this locality. The location, climate, convenience of access, together with the fertile soil, as well as its convenience to the Stanford University and water facilities make the Burke ranch one of the most valuable pieces of property in the State. At one time the late Mr. Burke had his racing stable there and bred a number of thorough bred horses that won fame on the turf for their owner. The directors expect to erect several costly buildings andmake vast improvements on the property.

Einstein has received the swellest lot of hats for misses and children ever shown in Redwood City.

ST. PETER'S CHURCH HOLDS ANNUAL BUSINESS MEETING

The annual meeting of the members of St. Peter's parish was held on Monday evening at the church. Rev. A. D. Chinn of Menlo Park, priest in charge of the parish, presided at the meeting, which was attended by a goodly representation of the members of the church. Reports of the officers showed the affairs of the church to be in quite satisfactory condition. While the income of the parish has not been what its officers had hoped, the Vestry has managed, with the assistance of theladies of St. Mary's Guild to meet all expenses, With the hope of undertaking more extended church work during the coming church year, it was decided to institute a system of weakly pledged support among the members of the congregation.

Officers for the year were elected as follows: James Crowe, warden; Charles T. Cook, secretary; Mrs. E. P. Heise, treasurer; J. E. Harris, E. P. Heise and Mrs. J. E. Harris, advisory committee; James Crowe, C. T. Cook, J. E. Harris and E. P. Heise, delegates to the Diocesan Convention; Mrs. J. E. Harris, Mrs. E. P. Heise, Mrs. John Marsh, Mrs. Chas. Cook and Miss Kittie Crowe, delegates to the House of Church Women.

ACCUSATION OF MURDER IS PROVEN GROUNDLESS.

The case of the People vs. Blanas has been set at rest for all time. The preliminary examination of the defendant took place before Judge Lampkin last Thursday. It appeared from the evidence offered that George Condos, the man who met death at South San Francisco a week ago Monday, and the defendant and another Greek boarded the train at 14th avenue, bound for South City. Condos, the dead man, appeared very much excited and arose to get of the train near his destination, and the other two quickly followed, and within a quarter of a mile of South City the accident occurred. Witnesses who were about to leave the car saw the defendant on the lower step, and he was waving his hand and telling his companion that Condos jumped off the train. The train was stopped and the body was found lying across the track, and the two Greeks were wiht the remains. All testimony went to show that the dead man either stepped off the train or misstepped.

SECRET PRANK OF CUPID PREMATURELY REVEALED

A secret marriage at Martinez, November 20, in which Allyn Brouse Creel, better known as Fritz Holland, and Mrs. Claire Murray Stafford are the principals, was revealed here yesterday.

Neither Mrs. Creel's mother nor the closest friends knew of the runaway match. Creel, under the name of Fritz Holland, is now training for his next bout at the Seal Rock house.

The bride is the daughter of Mrs. Henry Walker. After graduating from the Sequoia high school Mrs. Creel became the wife of C. M. Stafford, who died. The attachment between Creel and the young widow was generally known to the friends of both, but no hint of the elopment was given. Both bride and bridegroom are 25 years of age.

Mrs. Creel declares she intended to reveal the marriage to her friends as a Christmas surprise. Mrs. Creel has been a stenographer in the Abstract of Title Company's office for some months past.

Episcopal Church Bazaar Today.

The annual bazaar and sale of home cooked food of St. Mary's Guild opens this afternoon at Germania hall, and will continue during the evening. The hall has been attractively decorated by the ladies and will present an inviting appearance. Many articles of fancy work, suitable for holiday gifts have been prepared and will be offered for sale. Among these will be a number of pieces of intricate hand embroidery work, as well as useful household needlework. The sale of home cooked articles will be held during the afternoon. The young ladies of St. Margaret's Guild will have charge of a candy table, where home concoctions of sweets will be offered, and have prepared some prettily dressed dolls for sale. In the evening there will be an interesting musical program.

Legal Rights Restored.

Judge Buck has restored S. Beatty Thompson to capacity. The petition was presented on Tuesday and acted upon. Mr. Thompson formerly resided at Harrison before being committed to the insane asylum at Agnews.

Michael Lynch, a railroad section boss, was fined $50 Tuesday by Justice Lampkin for disturbing the peace.

To our Friends and Patrons:

In justice to our customers, as well as our selves, we have decided to change our name from the McKibben-Beal Company to the Palo Alto Furniture Company. As neither Mr. Beal nor Mr. McKibben has any interest in the business the title is misleading. This we wish to rectify by the above change.

We sincerely hope that the present management is entirely satisfactory to all of our customers. We shall endeavor. with your help, to make the Palo Alto Furniture Company the most talked-of furniture house on the coast in the matter of low prices and courteous treatment. If you find we are right, tell your friends about us and we will have them for our friends also.

We thank you for past patronage, which we wish may continue.

Yours respectfully,

sheriff was the storage building of the Third district and would be used during the winter months for housing the road implements of the district.

On motion of Brown the chairman was empowered to have a suitable building erected for the sheriff.

Attorney A. Kincaid, on behalf of the Halfmoon Bay Light and Power Company, presented a petition for a franchise to erect poles and wires in the First road district. Mr. Kincaid explained that the franchise was an extension of a franchise heretofore granted to the Halfmoon Bay Company in the Fourth township and was to enable the applicants to connect with the supply line on the bayside.

On motion of Francis, seconded by Brown the petition was accepted and the clerk directed to publish the usual notice offering the franchise for sale, bids to be opened at the first meeting in February.

Mr. Kincaid also presented a petition signed by Wm. F. Metzgar and 38 other citizens of Halfmoon Bay asked that a highway lighting district be formed from the town of Halfmoon Bay.

J. J. Gomes testified to having witnessed the signatures to the petition and that all were genuine.

A resolution was adopted on motion of Francis, seconded by Brown, fixing January 6th as the date on which the citizens of Halfmoon Bay will vote on the proposition.

The petition of the Ravenswood Investment Company, presented at the meeting on November 6th, for the closing of Euclid avenue, Manhattan avenue, University avenue, Parkside avenue, Scofield street, O'Connor street, Doyle street, Bizzel street, Donohoe street, Manhattan place and Euclid place at Ravenswood was taken up. The clerk stated that no protests had been received against closing the streets, and Judge Fitzpatrick, representing the Investment Company said that the petitioners had the consent of all of the interested property owners.

A resolution was adopted on motion of Brown, seconded by Francis, ordering the closing and abandonment of the streets named.

The clerk was authorized, on motion of Brown, seconded by Francis to procure the necessary supplies for the registration of voters.

Tax Collector McSweeney addressed the board and asked to be authorized to amend as provided in Section 3805-B of the Political Code tax deed No. 65 of the year 1895 and tax deed No. 61 of the year 1898. On motion of Supervisor Brown, seconded by Supervisor Casey it was ordered that the tax collector be so authorized.

Adjourned to December 18th.

HIGH SCHOOL OPERA IS TO BE MOST ENJOYABLE.

Kimi gaa yoo wa
Chiyo mii yachimo sazare Ishino
Iwa o to narite kokeno
Muu suu maade.

A charming and picturesque custom in Japan forms the theme for the pleasing operetta "The Japanese Girl" to be given by the high school, Friday night at the Alhambra. When a near relative has to leave home for a considerable period, he often leaves a growing plant, a young tree or singing bird to be called by his name and regarded as his substitute. The greatest care and solicitude is bestowed on this object as it is considered most unlucky to the person whom it represents, should any harm befall it during his absence. In the first act a number of Japanese girls are visiting O Hanu San, a young Japanese beauty, who is about to celebrate her eighteenth birthday, regarded in Japan as the "coming of age." The second act introduces two American girls, with their governess, who are touring Japan for education and pleasure. They come to a picturesque little garden, and compelled by curiosity, they enter. The governess sketches, and the girls slip away. The Japanese girls, returning, resent the intrusion of a foreigner and awake the governess who has fallen asleep at her easel, and pretend not to understand her explanation. O Hanu San comes to her rescue and in the end invites the American ladies to remain as her guests and witness the interesting and quaint ceremonies which are about to commence.

Japanese dances and songs follow, including the Japanese National Anthem, quoted above.

The cast of characters is as follows:

O Hanu San, Japanese girl of position.....Maude Moore
O Kitu San, her cousin.....Minnie Gould
O Kayo San, her cousin.....Lucile Holden
Chaya, her servant.....Alma Lorenz
Nora Twinn (Young American) Frances Taylor
Dora Twinn (Ladies traveling with Governess) Ella Martens
Miss Minerva Knowall, Governess...Jessie Smith

The scene is a quaint and beautiful garden, on one side a Japanese house, and at the back a fence and gate, all beautifully set off by masses of flowers. The operetta is composed, in addition to the dialog, of choruses, trios, duets and solos, sung by pretty girls in native Japanese costumes, and with the beautiful garden as a fitting background, they present a picture of delicate Japanese beauty. This operetta promises to be one of the finest bits of light opera that has ever been in Redwood City. The expense of putting it on is enormous and every care will be exercised to see that costumes, stage, scenery, and orchestra harmonize to make this operetta not only very pleasing, but also depict Japanese girls and their costumes perfectly. Mr. Carrington is sparing no expense to make this a most successful production, and will have one of the best orchestras to be obtained. The public is most earnestly asked to co-operate by purchasing tickets of the students who are going about town and attend the performance. Ticket reservations began on Monday.

CURE YOUR KIDNEYS

Do Not Endanger Life When a Redwood City Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to preform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now before dropsy or Bright's disease sets in. Read this Redwood City testimony:

Mrs. Isabel Ramirez, 109 Heller St., Redwood City, Calif., says: "My back was weak and painful and I felt tired and devoid of ambition. Hearing Doan's Kidney Pills highly spoken of, I was induced to try them and they proved to be just the remedy my system required. The pain and lameness which had bothered me so greatly disappeared and a kidney weakness was also corrected. I am grateful for what Doan's Kidney Pills have done for me,,

To Please the Palate

is our aim in serving meat—to retain the fine flavor Nature bestows, not to let it go to waste, as some meatshops do. With prolonging this true tale, it may be set down for a fact that here is to be found a first-class place to purchase beef, mutton, lamb, ham, poultry and game, to give your table good credit with household and guest.
